

RETIREMENT

The retirement plan for members of the FIQ and the APTS is the Government and Public Employees Retirement Plan (RREGOP), which is in sound financial shape.

But that's no reason for us to rest on our laurels.

We have to take this opportunity to adjust the RREGOP to today's realities, and improve the lot of women when they retire.

The aim of the Alliance proposals is:

- **to encourage professionals and technicians to continue working for a longer period, under more advantageous conditions**
- **to reduce the costs of early retirement**

**We're done
working ourselves
sick!**
