

WE'RE DONE BEING PAID A WOMAN'S WAGE!

**5% increase
over 3 years**

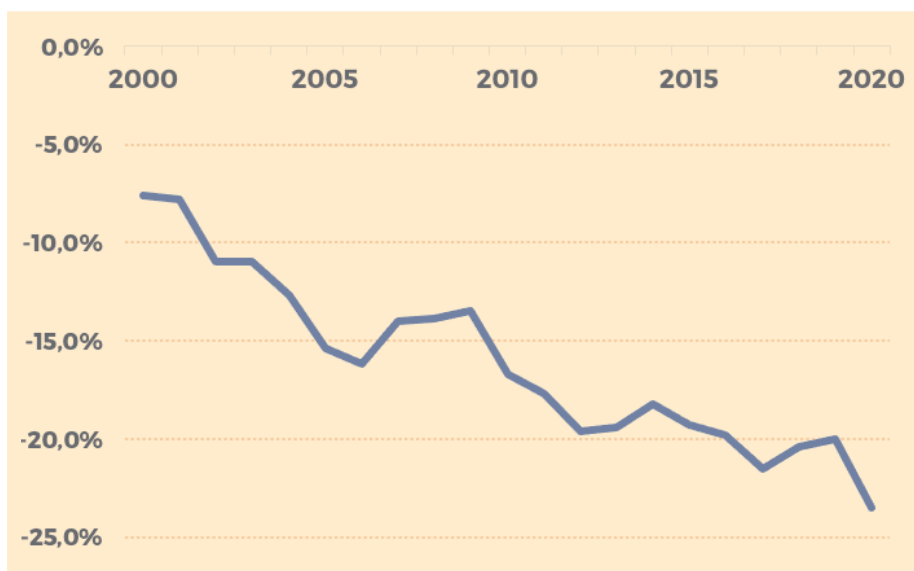

**A clearly
insufficient offer**

**Nothing to curb the exodus to the
private sector or end labour shortages**

**Nothing to narrow the pay gap
we've endured for over 20 years**

**And to top it off, the premier wants us to believe
he's offering us a 8% salary increase over 3 years, when
in fact, his calculations include lump-sum amounts**

**PAY GAP BETWEEN
QUÉBEC'S
PUBLIC-SECTOR
EMPLOYEES AND
THOSE IN ITS
FEDERAL PUBLIC
SERVICE, MUNICIPAL
PUBLIC SERVICE
AND PUBLIC
CORPORATIONS**
